TERMS and CONDITIONS

1. The package only applies to Hospital doctors who **MUST** assess the eligibility of the patient for the package.
2. In case of change in accommodation request to a different category, relevant charges will be applicable.
3. NHIF rebates are applicable for contributors at a rate of Ksh. 1,800/= per day, this has already been applied to the above prices.
4. Should you require delivery done by a specific doctor, then additional charges shall apply.
5. The package payment should be paid on or before completion of the 36th week of pregnancy or on admission if earlier.
6. For corporate clients, the letter of undertaking should be received on or before completion of the 36th week of pregnancy or on admission if earlier.
7. The package is only valid once full payment has been done.
8. Emergency Caesarean section is not covered in the Caesarean section package.

If interested, please ask for the detailed list of inclusions for the packages.
